Ages 11-18 meets on Tuesdays and/or Thursdays

Here's the schedule for April 1st – May 21st:

AGES 11-18

(Each class is 55 minutes. Class descriptions are below.)

TUESDAYS

1:00 PM PROFESSIONAL ACTOR TRAINING

2:00 PM DANCE TECHNIQUE: LEAPS, TURNS, & TRICKS

3:00 PM GROUP VOCAL PERFORMANCE

Professional Actor Training – In this intensive, you will develop theatre, performance, and storytelling techniques, create and develop unique characters, practice improvisational skills while maintaining professionalism on stage, and reinforce audition techniques. We will help you reach your own personal acting goals and will conclude with an on-stage performance.

Dance Technique: Leaps, Turns, and Tricks – Are you falling out of your turns, can't get high enough in your leaps, or want to learn new tricks? A solid foundation in technique is the only way to perfect your skills. In this intensive, your classes will begin with a warm-up, then work on a specific skill, and end with a combination. Then conclude by showing off your new skills with an on-stage performance. Becoming a triple threat will make sure you stand out on Broadway!

Group Vocal Performance – Gain benefits not found in private voice lessons in Group Vocal Performance. You will learn to blend your voice with other singers (invaluable if you want to excel in musical theatre), develop skills in singing harmonies, perfect timing, learn performance technique and become more comfortable with singing on stage. Intensive concludes with an on-stage performance.

THURSDAYS

1:00 PM SONGWRITING 101

2:00 PM MUSICAL THEATRE JAZZ

3:00 PM HIP HOP

Songwriting 101 - In this intensive, you will learn songwriting basics, including key aspects of lyric writing such as song structure, theme, and rhythm, along with melody writing, strong image creation and unique ways to break through writer's block. Through a guided step-by-step lyric writing process, you will complete an original song and will be equipped with the tools to continue writing songs on your own. You will conclude this program on stage performing your original music.

Musical Theatre Jazz Performance – In this intensive, you will focus on theatrical dancing that combines the songs of Broadway with the fundamentals of jazz technique while learning combinations and building performance skills. This upbeat class will conclude with an on-stage performance and prepare you for the bright lights of Broadway!

Hip Hop – This high-energy dance class will get your heart thumping, build your hip hop skills, and help you develop your style. Classes in this intensive begin with a warm-up, followed by skill-building exercises and choreography. You will end this intensive with an on-stage performance.
